  - 5.2 The Gedling BC has been contacted again to request a larger bin and dog bin at the Cemetery car park. There is still the issue of payment for the removal of fly tipped material on Parish Council owned land. The Chairman will follow this up with Gedling BC. This is on-going.
  - 5.3 Cllr Burnham has contacted Notts. CC re the formalising of footpaths on the NE tip. This is on-going.
  - 5.4 Most of the fencing around the green behind the Stone House has been replaced. It is hoped that this will be completed promptly.
  - 5.5 The siding out of the pavement on Hucknall Road has been done by the County Council but there is still encroaching vegetation. County Council Highways have been informed and a response is awaited. This is on the schedule for completion.
  - 5.6 The Council was informed that the three decorative panels which had been removed from the end of Chapel Terrace and Stonehouse Terrace are in the possession of Gedling BC. The Clerk will contact Gedling BC with a view to replacement. This continues to be on-going.
  - 5.7 The gaps in the steel fencing at the cricket ground are a potential hazard to children, who are running out on to Station Avenue. Warning signs are still to be erected by Gedling BC. The Clerk will contact Darren Gilder. There has been no progress with this item.
  - 5.8 The Christmas tree was delivered early but thanks to Mick Leivers and his group the tree was taken to a secure area and positioned the following day. The Parish Council thanked him once again for this service.
  - 5.9 Jerry Warnes of Newstead Abbey has been made aware of the problem of the trees on the Abbey Drive. The City Council's tree officer is also aware.
  - 5.10 Cllr. Mrs Sabin and Cllr. Mrs Adams thought that the Council should consider the placing of new railings at the Tilford Road/Fraser Street crossroads to prevent young people sitting on top of the railings near to the shops. The Council could consider the building of a young person's shelter on the village green. It was suggested that ideas from the young people of the village could be sought but a wider public consultation would be necessary. Designs and plans would have to be drawn up and planning permission would be necessary. This is on-going.
  - 5.11 Cllr. Mrs Sabin suggested the placing of planters in various parts of the village. It was not clear whether or not planning permission would be necessary. This is on-going
  - 5.12 The Chairman informed the Council that it had been suggested by the Parish Plan committee that a ball park could be built by the side of the Welfare. The land is in the ownership of the Welfare and the Trustees have not given permission at this time. This is on-going.

- 5.13 Cllr. Gascoigne raised the unkempt state of the land at Vicarage Corner. According to the Land Registry this land is owned by Gedling BC. The Clerk would contact GBC.

The Chairman adjourned the meeting so that members of the public could discuss parish matters with councillors.

PC Brian Newsome informed the Council that several section 59 notices had been served regarding the use of motor cycles. Several burglaries had been reported. He urged residents to be vigilant and watch out for other people's property. He encouraged members of the public to report every incident to the control room (0115 9670999). Residents should report suspicious vehicles and people in the area and be aware of people who were posting leaflets in the village.

Mick Leivers reported that a Management Plan had been completed for Vicarage Corner by Gedling BC in 2000/2001.

Mick Leivers reported that the Youth Club is using Cornerstone House until the problem of the heating in the Youth Club building is sorted out.

It was reported that the footpath between Webb Street and Newstead Miners Welfare Community Centre needed clearing of vegetation, rubbish and dog faeces.

It was reported that the grit bin had not been replaced at the top of Fraser Street. A grit bin outside the Church on Musters Road would be helpful and the bin on Hazelford Way is empty.

Various pavements in the village are in need of repair as there is an excessive camber, consequently people are walking on the road.
