COMMUNITY LED ACTION PLAN 2008 - 2018

**Prepared by the Future Newstead Partnership on behalf of
Newstead Parish Council with support from
Rural Community Action Nottinghamshire**

Last updated June 2013 Future Newstead

INTRODUCTION

This document has been produced following consultation in Newstead during Spring/Summer of 2007. The consultation was conducted by the Newstead Parish Plan Steering Group supported by Newstead Parish Council and Rural Community Action Nottinghamshire. The Steering Group was successful in acquiring a £3500 grant from the Nottinghamshire Community Foundation to produce a Parish Plan.

In 2007 a questionnaire was distributed to all households in Newstead and returned by 176 households. In addition young people and children were consulted. On 3rd June 2008 approximately 60 residents attended an action planning event to take forward the findings of the consultations.

The following action plan is an outcome of that day.

The Action Plan Layout

This document lists the issues raised by the village consultation. The actions to be taken and the responsibility for these are laid out in the following way:

Aim	Action needed	Who	Timescales	Achievements
<i>Issues identified by consultation and research</i>	<i>Description of action required</i>	<i>Responsibility and Partners</i>	<i>Date or month to complete or review by</i>	<i>What has happened so far</i>

Jargon Key

Abbreviations may be used for partners at times as we put this plan into action. Listed below are the main organisations involved:

PC	Newstead Parish Council		NCC	Nottinghamshire County Council
GBC	Gedling Borough Council		RCAN	Rural Community Action Nottinghamshire
NRA	Newstead Residents Association		NCTPCT	Notts County Teaching Primary Care Trust
GCVS	Gedling Community Volunteer Service		CAST	Cornerstone Angling Skills Training
WI	Newstead Women's Institute		NACP	Newstead & Annesley Country Park
FN	Future Newstead		NMWCC	Newstead Miners Welfare Community Centre
RED	No Progress /No Action/ Unachievable		AMBER	Progress/ Ongoing/ In Action
GREEN	Completed/ On track to completion		<i>Italics</i>	<i>New Issues raised/identified by The Parish Plan</i>

- **The Parish Plan has been printed and a copy delivered to every house in the Parish.**
 - **The Parish Plan is also available to view at www.newsteadvillage.org**

Overall Vision

-A rural environment, in a conservation area, which needs to be protected from unwanted and unnecessary developments, whilst still ensuring that the Parish is an attractive place in which to live.

-Improved existing infrastructure and better services.

-A modern and caring community with activities for all residents both young and old.

-A safe and crime free environment.

-Development of sporting, recreational and environmental facilities.

-Provision of good communication systems to keep residents informed, and to enhance the opportunities for community involvement, employment and training.

Outcomes to Date

-Since the plan started the most dramatic and unexpected event was being selected as part of The BBC "Village SOS"- Big Lottery funding in 2010. This generated a huge amount of interest in the village locally and nationally. It has allowed the creation of a Country Park and mobilised a large number of volunteers in the village and beyond. This will enable a wide number of opportunities for the area in the future.

-A large number of public meetings have taken place regarding the BBC Lottery SOS /Pit Tips and its transformation to N+ACP, informing local residents and giving an opportunity to be involved. The PC, NRA, Church, WI and FN all have held regular open meetings and encourage local participation.

-The Parish Plan has helped in many ways to implement a number of the successes the Parish has had so far. There have been many people who have contributed to different aspects of the plan, and there will hopefully be many more that will continue, or become involved to take the plan through its journey.

-GBC appointed a Locality Co-ordinator for Newstead in 2012. Deborah Widdowson is office based at the Newstead Centre.

-A Celebration Day was held in May 2013 to evaluate the Parish Plan, celebrate its achievements and showcase community groups and their involvement.

-There are many people to thank for taking the plan to this point, and we are all aware many of the above action points could not have been done without funding. Future Newstead would like to thank the following for their financial support, and apologies to any we have forgotten.-

Newstead Parish Council, Greater Nottingham Partnership, EMDA, Big Lottery Project, Notts CC- Building Better Communities, WREN, Heritage Lottery Fund, Gedling Homes-Community Chest, Gedling BC, Patricia Andrews, Chris Barnfarther, LIS, GCVS, RCAN,

ENVIRONMENT

Aim	Action Needed	Who	Time scale	Achievements
To make the village more energy efficient	Set up a group to explore energy efficiency and funding possibilities	RCAN Rob Crowder GBC	2015	AMBER GREEN GBC "Warm Streets" various initiatives and schemes offered for free cavity wall insulation/ loft insulation/ boiler replacement. Private companies have door knocked promoting solar panels/ free electric schemes for houses with unobstructed south facing roofs.2012. AMBER Possible future options for wind energy via RCAN/NACP
To reduce the impact of motorbikes	Keep motorbikes and 4x4s off Pit Tips/Linby Trail/Woodlands	Police GBC	2012	AMBER numerous complaints to Police and some action taken against N+A Country Park offenders.
To ensure streets are clean	Ensure regular cleaning and maintenance of streets	GBC PC Volunteers	2012	GREEN GBC now litter pick (but only areas in their jurisdiction). "Womble" volunteer litter pick days have been established but intermittent. School have promoted issues around litter and School children have had litter education projects. GBC have installed more bins in the village. AMBER To have a maintenance schedule for the Parish- Who does what and how often. This would identify what bits are missed and who is responsible if something is not being done. PC to lead on this.
	Annual Community Clean Up	PC FN	2012	AMBER Some volunteer "womble" / Community Clean up/ litter pick days have been established but nothing on regular basis. School/ GBC/volunteer involvement.
	Identify "hot spots" needing attention. CCTV camera signs	GBC Community Warden PC NRA	2012	GREEN AMBER GBC/ PC identified litter hot spots. Mainly around Take away and Shop. Dog Fouling still an ongoing issue, especially on recreation ground. "Ward Walks" take place around the village, involving PC, GBC, Councillors to identify ongoing issues. GREEN -GBC Warden has installed new signs about Dog Fouling and stickers on waste bins encouraging use. 2013 AMBER - FN suggested to GBC to access Northfield factory CCTV to provide evidence leading to fines for dog fouling.

Aim	Action Needed	Who	Time	Achievements
To ensure streets are clean	Identify ownership of land in the Parish in order to contact relevant bodies.	PC FN	2012	GREEN AMBER Draft Map produced for use by PC/FN to identify land ownership. However issues are that even when land identified there is still no action by the relevant organisation-ie Network Rail
	Explore the possibilities for a village handy man.	PC GBC FN	2012	GREEN Probation Services/ "Community Payback" have set up good relationship with PC and CAST to undertake a number of maintenance issues in and around the village. GREEN - PC involved with taking on "Lengthsman Scheme" where a shared worker between a cluster of PC's will be working in the village for a limited time each week -2013
Woodlands and surrounding areas are well maintained	Set up an "Environment Management" group for Newstead (with support from Greenwood Forest and Notts Wildlife Trust)	NCC PC CAST	2011	AMBER NACP managed and maintained to promote environmental needs. Newstead Meadow established via PC. Old Church grounds maintained and established as wildflower area via PC. ONGOING as need for Environment Management group to look at Parish as whole.
To develop pit top lagoons as a resource for the community	Purchase land on "Annesley Pit Top Lagoons" to ensure no destruction of habitats, and for community use.	CAST / RCAN / Funding organisations	2010	GREEN ONGOING PROJECT - The pit tips were purchased with monies raised from Greater Nottingham Partnership. (2010/11) CAST & RCAN have been working with volunteers in the community to develop Newstead & Annesley Country Park.(NACP) This coincided with BBC Village SOS BIG Lottery and has turned the Pit Tips into a Country Park, which has so far developed lakes for fishing, walkways, tracks, hides, hedging, fencing and a visitor centre. A separate organisation "Newstead Enterprises Ltd" has also been established to oversee the business development and sustainability of the Park. www.newsteadandannesleycountrypark.com

ENVIRONMENT

Aim	Action Needed	Who	Time scale	Achievements
Housing is attractive and well maintained	Liaising with GBC around house repairs and empty properties.	GH EMH and GBC	2012	<p>GREEN AMBER GBC Housing Needs Survey looked at what the local housing need was to predict future use. GBC has conducted visual audit, initial partnership established with GH, EMH and private owners and landlords.</p> <p>GREEN-GH with Public Realms Funding have upgraded properties internally and replaced roofs and guttering of its properties and has also provided new fencing and security lighting for the majority of houses on the Terraces (Old Village) 2012/13 AMBER- Some private landlords not upgrading/repairs.</p>
	Increase awareness of future planning issues in areas surrounding the village and potential impacts to our environment.	GBC PC FN	2012	<p>AMBER At the time of producing this Plan the only obvious issue was Planning consent at Top Wighay for GBC development of Housing stock. Although this has not been built on yet it is still a possibility. The former Annesley Pit land is being transformed into a housing estate and is expected to have 165 houses when complete. This is already having a negative impact on Newstead due to increased traffic, especially on Annesley Cuttings and access to A611 Derby Road. It is also having an impact on Newstead Primary School as they have seen an increase in requests for school places and are currently designing plans for extending the school. There is also land sold for building at Annesley between the village and the Pit on farm land.</p> <p>Local conservation groups have been in contact with FN. To support these please see www.linby.org.uk (Brownfield First) for Top Wighay farm development. For access on Annesley cuttings and campaign for traffic lights/roundabout/filters see www.facebook.com/pages/Wheres-our-traffic-lights-at-Annesley-Cutting/329146640155?fref=ts see www.gedling.gov.uk for its planning proposals.</p>

TRANSPORT

Aim	Action Needed	Who	Time scale	Achievements
Residents are able to access public transport regularly (To ensure public transport meets the needs of local people)	Explore extending the bus route further into the village	NCC PC NRA	2012	AMBER Discussions have taken place between PC and Bus Service providers. There has been no progress on this mainly due to the amount of people that would want/need the bus to come into the village against the disturbance to the timetable, the added costs and also against the amount of residents it would be a disadvantage to. Tilford Road is a busy street with access to the School, playground, shops and Community Centre. Having a bus route reinstated here would probably have more disadvantages than advantages. GREEN There is a Supermarket Shopper Bus that does come into the village to the Bus turn at the bottom of Tilford Road.
	Liaise with transport providers regarding access, and reliability	NRA / PC	2012	AMBER PC have met with Bus service providers. Punctuality of services seems to have improved. Train still misses Newstead Station at certain times. Network Rail state this is due to timetabling the service on a single track line.
To ensure that residents travel safely		FN PC	2012	GREEN – Provision of benches via Notts CC “Building Better Communities” has meant pedestrian residents can have a rest on one of the 3 benches installed in the village.
To ensure that residents travel safely	Campaign for a safer right turn out of Annesley cutting onto A611	NCC and Ann -esley PC	2012	RED - Notts CC Highways have stated that it is not possible to install traffic lights or roundabout due to amount of underground services at this junction. AMBER -There is a campaign via Annesley PC www.facebook.com/pages/Wheres-our-traffic-lights-at-Annesley-Cutting/329146640155?ref=ts

TRANSPORT

Aim	Action Needed	Who	Time scale	Achievements
To ensure residents have safe access to/near the railway	Explore the possibility of a footbridge/ pedestrian access	FN PC	2012	RED/ UNACHIEVABLE Network Rail have been contacted and in Public meetings stated there will be no possibility of a footbridge in Newstead. Mainly due to amount of use and costs.
	Campaign for full safety barriers at the crossing	FN PC	2012	RED/ UNACHIEVABLE Network Rail have been contacted and in Public meetings stated there will be no possibility of full safety barriers in Newstead. Mainly due to amount of use and costs. Residents have no choice but to cross the railway line to access the recreation ground, Country Park and Abbey access.
	Set up rail user - group to identify issues	NRA PC	2015	RED - No known action taken on this to date
Other Transport achievements and benefits to the locality since the plan				<p>GREEN- Children shaped safety warning bollards by the School 2008</p> <p>GREEN -Village Green safety improvements with car park creation/Sure Start/Youth Club 2009</p> <p>GREEN- Cycle racks fitted at Youth Club and Community Centre to encourage alternative transport. 2010</p> <p>GREEN- Bench fitted by Bus Stop on Hucknall Road making it easier to use for some residents. 2012</p> <p>GREEN- Speed Safety 30 MPH warning signs on Hucknall Road (Notts CC LIS Funds). 2013</p> <p>GREEN/AMBER- PC met with NottmCC/Newstead Abbey for commitment to re-surface Station Avenue/the road to the Abbey -Ongoing</p> <p>AMBER- FN (Chris Barnfarther) put application to Notts CC (LIS) for funding a pavement footpath linking Tilford Road and Livingstone street to the Railway Station so pedestrians do not have to walk in the road. ONGOING</p>

YOUNG PEOPLE

Aim	Action Needed	Who	Time scale	Achievements
Ensure a welcoming and efficient Youth Club (<i>providing services and activities appropriate to the needs of local young people</i>)	Identify volunteers to support the Youth Club	Youth Workers Youth Centre Management Committee Local Councillor CAST NMWCC	2012	<p>GREEN- A local parent (Emma Astill) volunteered at the YC, took her Youth Work Qualifications and has now become a Youth Worker. 2012</p> <p>GREEN- (There have been some interruptions with opening times due to staffing levels and building issues). At Present the YC is open Wed/Thur/Fri 6-8.30 for 13-19 year olds.2013.</p> <p>GREEN- Currently have trips out which are sometimes available to 10year olds upwards.2013</p> <p>GREEN-currently supported by regular visitors to the YC- Patricia Andrews (GBC councillor), Niki Pekal (GBC warden), Pam Young (PC) 2013.</p>
	Renovate the building	Youth Club NMWCC CAST	2011	<p>GREEN AMBER ONGOING- YC renovated and repainted but is constantly in need of repair due to use and minor vandalism. CAST had funds from GH 2012 to repaint.</p> <p>AMBER- Funding given by GH to RAVE arts group to have graffiti art boards outside the YC.</p> <p>AMBER- Heating system identified as not efficient/or in working order- funding applied for by NMWCC to renew. 2013</p>

YOUNG PEOPLE

Aim	Action Needed	Who	Time scale	Achievements
To Increase Availability of Activities for Young People	Develop Available activities <i>(promote /enhance access to new activities)</i>	Youth Workers School / Trustees of NMWCC CAST Sure Start	2012	<p>GREEN CAST opened a Young Peoples Drop In service at Cornerstone House on selected nights.2011/12</p> <p>GREEN Multi Use Games Area is built and in use. 2011. 	Set up after School hours – clubs or groups using Newstead Community Centre & Café	FN Newstead Centre NMWCC	2012	RED – Trustees of NMWCC/ Newstead Centre have stated they will not open after school hours/ evenings and weekends due to costs and staffing.
	<i>Identified via this Plan was that a larger piece of work was needed which involved Children and Young People to address their needs.</i>	FN Sure Start YC /School CAST NMWCC GBC		GREEN - A Sub Group with a more detailed plan has been set up to directly influence and improve a wider range of services and activities for Children and Young People. This has been put together by GBC Locality Coordinator Debbie Widdowson 2013.

FACILITIES

Aim	Action Needed	Who	Time scale	Achievements
To increase Newstead residents use of and pride in Newstead Abbey as part of our Parish	Set up liaison group to maintain and develop relationships with the Abbey	PC NACP	2012	AMBER - Meetings have been held between FN/PC and Abbey management. PC representatives monitoring issues in the Abbey.2012
	Re-establish historical access to Abbey grounds for local residents	PC	2012	<p>RED – Historical access was seen as vehicle access from the Newstead end/ North Lodge, and also grounds open till dusk. FACILITIES

Aim	Action Needed	Who	Time scale	Achievements
5-a-side style outdoor floodlit ball court	Set up steering group To look at funding for ball court and keep fit facilities.	PC NMWC C FN YC CAST	2010	<p>GREEN -The Multi-Use Games Area (MUGA) money was raised and was installed next to the Youth club & Surestart centre at the end of September 2010. This facility offers a safe and flexible outdoor space for the young people of Newstead.</p> <p>GREEN - After a number of safety issues of the balls being kicked out of the MUGA and adversely affecting other residents, a safety netted roof was installed. Further funding was needed for this. 2012/13</p> <p>AMBER – Floodlights were not fitted due to costs and complaints/concerns from some residents. As this has prohibited safe use in the winter months after school hours young people have asked for lighting. They are currently in the process of looking at funding and lighting options that will not interfere with residents. 2013</p>
Permanent Keep Fit Facility <i>(To improve indoor and outdoor sports and recreational facilities for young people)</i>	Set up steering group To look at funding for ball court and keep fit facilities.
