2008 - 2018

**Prepared by the Future Newstead Partnership with support from
Rural Community Action Nottinghamshire**

Last updated 10th June 2011 by Donna Bradley, Gedling Borough Council

INTRODUCTION

This document has been produced following consultation in Newstead during Spring/Summer of 2007. The consultation was conducted by the Newstead Parish Plan Steering Group supported by Newstead Parish Council and Rural Community Action Nottinghamshire. The Steering Group was successful in acquiring a £3500 grant from the Nottinghamshire Community Foundation to produce a Parish Plan.

In 2007 a questionnaire was distributed to all households in Newstead and returned by 176 households. In addition young people and children were consulted. On 3rd June 2008 approximately 60 residents attended an action planning event to take forward the findings of the consultations.

The following action plan is an outcome of that day.
